Dear Parents

As you will no doubt be aware the Govt have announced that Warrington are entering a 'local lockdown' – the reality of this is that School and College will operate as normal. However we are introducing the following from Monday in our quest to work together to keep each other safe. Please support us with this:

- All adults (unless exempt) to wear a face covering when visiting or entering the school premises. This includes when dropping off and collecting your children.
- All parents/guardians to remain in their cars for drop off and pick up, apart from when staff are there for handover.
- All parents/guardians to leave site as soon as their children are dropped off, and do not congregate together for any reason.
- Staff (unless exempt) to wear a face covering when they come out to collect/drop off children.
- Staff operating walkies may not wear masks but will socially distance from others whilst completing this duty.
- Ensure that you follow the guidance we have distributed relating to Covid-19 absence, including self-isolating where this is necessary, and keeping us updated.

We will provide you with further guidance as we receive it . . .

Many Thanks for your support,

Lucinda Duffy
Headteacher
