I hope that this letter finds you and your families well.

For those children (and parents/carers) who have been accessing school learning set on Evidence for Learning, a massive well done! We fully appreciate that it is not easy to maintain enthusiasm and commitment over a longer period of time and we thank you for all of your efforts. The photographs, videos and comments you have added to Evidence for Learning have filled us with pride at how much the children have accomplished during this time.

The work your child has undertaken will really have benefits for their progress and make transition back into school that bit easier.

For those children who have been learning in other ways, we would really appreciate it if they had a go at accessing some of the activities set on Evidence for Learning over the Summer as it would really support your child to have a smooth transition back into school when the time comes. Please upload your photographs and comments so that we can see and hear about the wonderful activities that you have tried at home during this time.

We truly value the range of experiences which the children will have encountered along the way and anticipate this adding depth and understanding to a range of curriculum areas in the classroom.

This week will be our last weekly welfare call, we thank you all for taking the time to speak to us and hope that you have found it helpful during this time. Over summer, if you need any help or support, please call or email school and leave us a message and we will get back to you.

We really appreciate the fantastic support we have received so far from parents/carers and look forward to continuing to work together in the best interests of the children.

Have a lovely summer!

Lianne Buchanan

Deputy Headteacher

Headteacher: Miss Lucinda Duffy NPQH, BA.Ed QTS

Deputy Headteacher: Mrs Lianne Buchanan BA (Hons), QTS, MA SEN
