

Zed's

Easter

Visit

It was Easter time on Planet Earth.

Everyone was busy preparing for the celebrations.

Harry and his family were expecting a special visitor.

Zed was coming to stay with them for the holidays.

On Good Friday, Zed's spaceship landed in Harry's garden.

He was going to stay with Harry for one week.

Harry and Zed waved goodbye to Zed's mum and dad.

The spaceship zoomed up into space.

Harry liked Easter because he got lots of Easter eggs.

His mum filled a basket with eggs for the Easter egg hunt.

The Easter egg hunt was happening on Sunday.

They both looked at the basket of eggs on the table.

The next day Harry and Zed went shopping.

Zed bought his mum and dad an Easter egg each.

Harry bought his dad some chocolate, and his mum flowers.

Then they went to McDonalds for lunch.

Harry and Zed looked at their presents on the table.

They both felt very happy.

Harry helped Zed wrap his eggs.

When they had finished they ate supper and went to bed.

On Easter Sunday Harry and Zed woke up very excited.

Harry's mum and dad were eating their breakfast.

"Happy Easter," said Harry. He gave them their presents.

They all went into the garden for the Easter egg hunt.

Harry found an egg in the vegetable garden.

Zed found an egg at the side of the garden shed.

They found eggs everywhere in the garden.

Zed and Harry had a wonderful time looking for the eggs.

Zed and Harry put all the eggs into the basket.

They took them inside the house to count.
