

Fox Wood School's Daily Sensory Activity Challenge!

Every day I will be posting a different sensory activity you can try at home with everyday resources you are likely to have. Please post any photos or clips of you recreating the activities in different ways to keep us all smiling! 😊

Please note that this activity will not be suitable for all children/families/homes - parents and carers are asked to watch this clip first and then only use the ideas and/or share the clip with their children if they think it is safe to do so. We advise that all children are supervised whilst carrying out the activities to ensure their safety. All activities are carried out at your own risk.
